

Colors used in Numbers/ Symbols. Sample these colors with the dropper. These should be all the colors that are used. Blacks are rich: C=100, M=100, Y=100, K=100  
or C=60, M= 60, Y=60, 100

Font: Myriad Pro, regular and *italic*

Symbols created in illustrator were not made with specific size. When creating a pds doc, follow specs and check gride lines.

Dale has created a templete for illustrator, incase it is needed.
